**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
To Be Held at 10:00 a.m. Pacific Time on Thursday, June 2, 2022**

Dear Stockholders of Alpha Teknova, Inc.:

We cordially invite you to attend the 2022 annual meeting of stockholders (the "Annual Meeting"), of Alpha Teknova, Inc., a Delaware corporation (the "Company" or "Teknova"), which will be held virtually on **Thursday, June 2, 2022 at 10:00 a.m. Pacific Time via live audio webcast on the internet at www.virtualshareholdermeeting.com/TKNO2022**, for the following purposes, as more fully described in the accompanying proxy statement:

1. To elect three Class I directors to serve until the 2025 annual meeting of stockholders and until their successors are duly elected and qualified;
2. To ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022; and
3. To transact such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Due to continuing public health and travel concerns related to the COVID-19 pandemic and the protocols that some federal, state and local governments continue to impose, our board of directors has determined to hold a live audio webcast in lieu of an in-person meeting in order to continue to support the health and well-being of our employees, stockholders, directors and community. You will be able to vote and submit your questions during the meeting at www.virtualshareholdermeeting.com/TKNO2022. In light of the current environment, we believe that holding a virtual meeting will enable greater stockholder attendance and help accommodate participants who may be unable or unwilling to travel to an in-person meeting as a result of measures implemented in response to the COVID-19 pandemic. As always, we encourage you to vote your shares prior to the Annual Meeting either by telephone, internet or by proxy card to help make this meeting format as efficient as possible.

Our board of directors has fixed the close of business on April 21, 2022 as the record date for the Annual Meeting. Only stockholders of record on April 21, 2022 are entitled to notice of and to vote at the Annual Meeting. Further information regarding voting rights and the matters to be voted upon is presented in the accompanying proxy statement.

We intend to mail this proxy statement for our 2022 Annual Meeting of Stockholders (the "Proxy Statement"), the accompanying proxy card, and our Annual Report on Form 10-K for the fiscal year ended December 31, 2021 (the "Annual Report") on or about April 28, 2022 to all stockholders of record entitled to vote at the Annual Meeting.

YOUR VOTE IS IMPORTANT. Whether or not you plan to attend the Annual Meeting, we urge you to submit your vote via the internet, telephone or mail as soon as possible to ensure that your shares are represented. For additional instructions on voting by telephone or the internet, please refer to your proxy card. Returning the proxy does not deprive you of your right to attend the Annual Meeting and to vote your shares at the Annual Meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the Annual Meeting, you must obtain a proxy issued in your name from that record holder.

We appreciate your continued support of Teknova.

By order of the Board of Directors,

/s/ Stephen Gunstream

**PROXY STATEMENT
FOR
2022 ANNUAL MEETING OF STOCKHOLDERS**

PROCEDURAL MATTERS

This proxy statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by our board of directors for use at the 2022 annual meeting of stockholders of Alpha Teknova, Inc., a Delaware corporation, or the Company, and any postponements, adjournments or continuations thereof, or the Annual Meeting. The Annual Meeting will be held virtually on Thursday, June 2, 2022, at 10:00 a.m. Pacific Time via live audio webcast. We intend to mail this proxy statement and the accompanying proxy card on or about April 28, 2022 to all stockholders of record entitled to vote at the Annual Meeting.

The information provided in the “question and answer” format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this proxy statement and references to our website address in this proxy statement are inactive textual references only.

What matters am I voting on?

You will be voting on:

- the election of three Class I directors to serve until the 2025 annual meeting of stockholders and until their successors are duly elected and qualified;
- a proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022; and
- any other business as may properly come before the Annual Meeting.

How does the board of directors recommend I vote on these proposals?

Our board of directors recommends that you vote your shares:

- **“FOR”** the election of Ted Davis, Alexander Herzick and Robert McNamara as Class I directors; and
- **“FOR”** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022.

What if another matter is properly brought before the meeting?

Our board of directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

Who is entitled to vote?

Holders of our common stock as of the close of business on April 21, 2022, the record date for the Annual Meeting, may vote at the Annual Meeting. As of the record date, there were 28,042,479 shares of our common stock outstanding. Stockholders are not permitted to cumulate votes with respect to the election of directors. Each share of common stock is entitled to one vote on each proposal.

Registered Stockholders. If shares of our common stock are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and these proxy materials have been

TABLE OF CONTENTS

provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card, vote live at the Annual Meeting, or vote by proxy through the internet or by telephone. Throughout this proxy statement, we refer to these registered stockholders as “stockholders of record.”

Street Name Stockholders. If shares of our common stock are held on your behalf in a brokerage account or by a bank or other nominee, you are considered to be the beneficial owner of shares that are held in “street name,” and these proxy materials have been forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee as to how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, you should follow your broker’s procedures for obtaining a legal proxy to vote your shares of our common stock live at the Annual Meeting. If you request a printed copy of our proxy materials by mail, your broker, bank or other nominee will provide a voting instruction form for you to use. Throughout this proxy statement, we refer to stockholders who hold their shares through a broker, bank or other nominee as “street name stockholders.”

How many votes are needed for approval of each proposal?

- *Proposal No. 1:* The election of directors requires a plurality of the voting power of the shares of our common stock present in person, or by remote communication, if applicable, or represented by proxy at the Annual Meeting and entitled to vote thereon to be approved. “Plurality” means that the nominees who receive the largest number of votes cast “For” such nominees are elected as directors. As a result, only “For” votes will affect the outcome, and any shares not voted “For” a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. You may vote “For” or “Withhold” on each of the nominees for election as a director.
- *Proposal No. 2:* The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022 requires the affirmative vote of a majority of the voting power of the shares of our common stock present in person, or by remote communication, if applicable, or represented by proxy at the Annual Meeting and entitled to vote thereon to be approved. Abstentions will not have any effect on the outcome of this proposal, so long as a quorum exists. Broker non-votes will have no effect on the outcome of this proposal.

What are the effects of abstentions, withheld votes and broker non-votes?

An abstention represents a stockholder’s affirmative choice to decline to vote on a proposal. If a stockholder indicates on its proxy card that it wishes to abstain from voting its shares or withholds votes as to a particular proposal, or if a broker, bank or other nominee holding its customer’s shares of record causes abstentions or withheld votes to be recorded for shares, these shares will be considered present and entitled to vote at the Annual Meeting. As a result, abstentions and withheld votes will be counted for purposes of determining the presence or absence of a quorum.

Our amended and restated bylaws provide that an action of our stockholders (other than the election of directors) is approved if a majority of the votes cast are in favor of such action, and the directors are elected by a plurality of the votes cast. Under Delaware law (under which Teknova is incorporated), abstentions are counted as shares present and entitled to vote at the Annual Meeting, but they are not counted as shares cast. Therefore, abstentions and withheld votes will have no impact on the outcome of Proposal No. 2 as long as a quorum exists. Further, since the outcome of Proposal No. 1 (election of directors) will be determined by a plurality vote, abstentions and withheld votes will have no impact on the outcome of such proposal as long as a quorum exists.

A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to such proposal and has not received voting instructions from the beneficial owner of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting but will not be counted for purposes of determining the number of votes present and entitled to vote or votes cast. Therefore, a broker non-vote will make a quorum more readily attainable but will not otherwise affect the outcome of the vote on any proposal.

As a reminder, if you are a beneficial owner of shares held in street name, in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting to properly hold an annual meeting of stockholders and conduct business under our amended and restated bylaws and Delaware law. The presence, in person or by proxy, of a majority of the voting power of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting. On the record date, there were 28,042,479 shares outstanding and entitled to vote. **Thus, the holders of at least 14,021,240 shares must be present in person, or by remote communication, if applicable, or represented by proxy at the meeting to have a quorum.** Abstentions, withheld votes and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum.

How do I vote?

If you are a stockholder of record, there are four ways to vote:

- by internet at www.proxyvote.com, 24 hours a day, seven days a week, until 11:59 p.m. Eastern Time on June 1, 2022 (have your proxy card in hand when you visit the website);
- by toll-free telephone at 1 (800) 690-6903, until 11:59 p.m. Eastern Time on June 1, 2022 (have your proxy card in hand when you call);
- by completing and mailing your proxy card (if you received printed proxy materials); or
- *Vote online during the Annual Meeting.* You will be able to vote and submit your questions during the Annual Meeting live via webcast by visiting www.virtualshareholdermeeting.com/TKNO2022 and entering the 16-digit control number included on your proxy card or in the instructions that accompanied your proxy materials.

If you plan to attend the Annual Meeting, we recommend that you also vote by proxy so that your vote will be counted if you later decide not to attend the Annual Meeting.

If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to direct your broker, bank or other nominee, as applicable, on how to vote your shares. Street name stockholders should generally be able to vote by returning a voting instruction form, by telephone or on the internet. However, the availability of telephone and internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name stockholder, you must obtain a legal proxy from your broker, bank or other nominee in order to vote your shares in person in the Annual Meeting.

Can I change my vote or revoke my proxy?

Yes. If you are a stockholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

- entering a new vote by internet or by telephone;
- completing and returning a later-dated proxy card;
- notifying the Corporate Secretary of Alpha Teknova, Inc., in writing, at Alpha Teknova, Inc., 2451 Bert Dr., Hollister, CA 95023; or
- attending and voting electronically at the Annual Meeting (although attendance at the Annual Meeting will not, by itself, revoke a proxy).

If you are a street name stockholder, your broker, bank or other nominee can provide you with instructions on how to change your vote.

Will my vote be kept confidential?

Yes, your vote will be kept confidential and not disclosed to the Company unless:

- required by law;
- you expressly request disclosure on your proxy; or
- there is a proxy contest.

Why won't there be an in-person meeting this year?

Due to continuing developments with the COVID-19 pandemic, the public health and travel concerns our stockholders may have and the protocols that federal, state and local governments may impose, our board of directors has determined to hold a virtual Annual Meeting via live audio webcast in lieu of an in-person meeting in order to support the health and well-being of our employees, stockholders, directors and community. You will be able to vote and submit your questions during the meeting at www.virtualshareholdermeeting.com/TKNO2022. The health and safety of our employees, stockholders, directors and community is paramount, and we believe that holding a virtual meeting will enable greater stockholder attendance and help accommodate participants who may be unable or unwilling to travel to an in-person meeting as a result of measures implemented in response to the COVID-19 pandemic.

What do I need to do to attend the Annual Meeting online?

We will be hosting our Annual Meeting via live audio webcast only. If you are a stockholder as of the record date and wish to virtually attend the Annual Meeting, you will need the 16-digit control number, which is located on your proxy card. Instructions on how to participate in the Annual Meeting are also posted online at www.proxyvote.com. The webcast will start at 10:00 a.m., Pacific Time on June 2, 2022. Stockholders may vote and ask questions while attending the Annual Meeting online.

Use of cameras and recording devices are prohibited while virtually attending the live audio webcast.

How can I get help if I have trouble checking in or listening to the meeting online?

If you encounter any difficulties accessing the virtual meeting during the check-in or meeting, please call the technical support number that will be posted on the Virtual Shareholder Meeting log-in page.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our board of directors. Stephen Gunstream and Damon A. Terrill have been designated as proxy holders by our board of directors. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our board of directors as described above. If any matters not described in this proxy statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote the shares. If the Annual Meeting is adjourned, the proxy holders can vote the shares on the new Annual Meeting date as well, unless you have properly revoked your proxy instructions, as described above.

How are proxies solicited for the Annual Meeting?

Our board of directors is soliciting proxies for use at the Annual Meeting. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Our directors and employees will not be paid any additional compensation for soliciting proxies.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. Proxies may be solicited on our behalf by our directors, officers or employees in person or by telephone, mail, electronic transmission and/or facsimile transmission. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each proxy card you receive to ensure that all of your shares are voted.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of our common stock in street name for their customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker or nominee will have discretion to vote your shares on our sole "routine" matter: the proposal to ratify

[TABLE OF CONTENTS](#)

the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022. Your broker will not have discretion to vote on Proposal No. 1, a “non-routine” matter, or any other proposals that are considered “non-routine” matters, absent direction from you.

Where can I find the voting results of the Annual Meeting?

We expect to announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the Securities and Exchange Commission (the “SEC”), within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Annual Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to the Current Report on Form 8-K as soon as they become available.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

We have adopted a procedure called “householding,” which the SEC has approved. Under this procedure, we deliver a single copy of our proxy materials to multiple stockholders who share the same address, unless we have received contrary instructions from one or more of such stockholders. This procedure reduces our printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that we only send a single copy of our proxy materials, such stockholder may contact us at:

Alpha Teknova, Inc.
Attention: Corporate Secretary
2451 Bert Dr.
Hollister, CA 95023
investors@teknova.com
1 (800) 209-4488

We encourage stockholders to contact us by telephone or e-mail instead of physical mail to help ensure timely receipt of any request for proxy materials.

Street name stockholders may contact their broker, bank or other nominee to request information about householding.

What is the deadline to propose actions for consideration at next year’s annual meeting of stockholders or to nominate individuals to serve as directors?

Stockholder Proposals

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at next year’s annual meeting of stockholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for the 2023 annual meeting of stockholders, our Corporate Secretary must receive the written proposal at our principal executive offices not later than December 29, 2022. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to:

Alpha Teknova, Inc.
Attention: Corporate Secretary
2451 Bert Dr.
Hollister, CA 95023

Our amended and restated bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our amended and restated bylaws provide that the only business that may be conducted at an annual meeting of stockholders is business that is (i) specified in our proxy materials with respect to such annual meeting, (ii) otherwise properly brought before such annual meeting by or at the direction of our board of directors or

TABLE OF CONTENTS

(iii) properly brought before such meeting by a stockholder of record entitled to vote at such annual meeting who has delivered timely written notice to our Corporate Secretary, which notice must contain the information specified in our amended and restated bylaws. To be timely for the 2023 annual meeting of stockholders, our Corporate Secretary must receive the written notice at our principal executive offices:

- not earlier than the close of business on February 2, 2023; and
- not later than the close of business on March 6, 2023.

In the event that we hold the 2023 annual meeting of stockholders more than 30 days before or more than 60 days after the one-year anniversary of the Annual Meeting, then, for notice by the stockholder to be timely, it must be received by the Corporate Secretary not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting, or the tenth day following the day on which public announcement of the date of such annual meeting is first made.

If a stockholder who has notified us of the stockholder's intention to present a proposal at an annual meeting of stockholders does not appear to present the stockholder's proposal at such annual meeting, we are not required to present the proposal for a vote at such annual meeting.

Nomination of Director Candidates

Holders of our common stock may propose director candidates for consideration by our Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for membership on our board of directors, as well as a signed written statement of the proposed director candidate consenting to be named as a nominee to the board of directors, consenting to serve as a director, if elected, and consenting to be interviewed by the Nominating and Corporate Governance Committee, and should be directed to our Corporate Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see the section titled "Board of Directors and Corporate Governance—Stockholder Recommendations and Nominations to the Board of Directors."

In addition, our amended and restated bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our amended and restated bylaws. In addition, the stockholder must give timely notice to our Corporate Secretary in accordance with our amended and restated bylaws, which, in general, require that the notice be received by our Corporate Secretary within the time periods described above under the section titled "Stockholder Proposals" for stockholder proposals that are not intended to be included in a proxy statement.

In addition, to comply with the universal proxy rules, shareholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice to our Corporate Secretary that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 3, 2023, provided that, if the date of the meeting has changed by more than thirty days from June 2, 2023, then notice must be provided by the later of 60 calendar days prior to such annual meeting or the 10th calendar day following the day on which public announcement of the date of the annual meeting is first made by the Company.

Availability of Bylaws

A copy of our amended and restated bylaws is available via the SEC's website at <http://www.sec.gov>. You may also contact our Corporate Secretary at the address set forth above for a copy of the relevant provisions of our amended and restated bylaws regarding the requirements for making stockholder proposals and nominating director candidates.

All references to "Teknova," "we," "us" or "our" in this Proxy Statement mean Alpha Teknova, Inc.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Our business and affairs are managed under the direction of our board of directors. Our board of directors consists of nine directors, of whom, Robert McNamara, Brett Robertson and Alexander Vos qualify as “independent” under the listing standards of The Nasdaq Stock Market LLC (“Nasdaq”). Our board of directors is divided into three staggered classes of directors. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the class whose term is then expiring.

The following table sets forth the names, ages as of April 21, 2022, and certain other information for each of the members of our board of directors with terms expiring at the Annual Meeting (who are also nominees for election as a director at the Annual Meeting) and for each of the continuing members of our board of directors:

Nominees for Director

Ted Davis founded Teknova in 1996 and has served as a director since our incorporation in California in May 2000. He previously served as our President and Chief Executive Officer until May 2020 and as our Chief Science Officer until his retirement in July 2020. Prior to Teknova, Mr. Davis served as Director of Consumables at Genomix Inc., a DNA sequencing and functional genomics instrument and consumables company, from 1994 to 1996, where he developed a line of DNA sequencing, purification, and Differential Display products. Mr. Davis is also the founder of Sensa, SA, an Italian company, where he led the research team in developing nicotine-free tobacco strains using antisense technology from 1991 to 1993. Before joining Sensa he worked as a scientist at AGS/DNA Plant Technologies, from 1985 to 1988, where he isolated novel antibiotics, and cloned herbicide resistance and decaffeination genes, and at Ribogene, Inc. from 1989 to 1990. Mr. Davis holds a bachelor’s degree in Chemistry from California State University, Sonoma. We believe Mr. Davis is qualified to serve as a member of our board of directors based on his experience in the life sciences industry and the perspective and experience he brings as the founder and former President and Chief Executive Officer of Teknova.

Alexander Herzick has served as a director since January 2019 and has been a Partner of Telegraph Hill Partners, a venture capital firm that takes an active role in developing technology-based growth companies in the life sciences, medical device and healthcare industries, since June 2018. Prior to joining Telegraph Hill Partners in July 2009, he served as a Portfolio Manager at BlueMountain Capital Management, LLC (now Assured Investment Management), a privately owned diversified asset manager, from June 2005 to June 2007, and as Analyst in Investment Banking at Bank of America, N.A., in its Securities division, from June 2003 to June 2005. Mr. Herzick currently represents Telegraph Hill Partners as a director of the following private portfolio companies: Catterra, Inc., Argonaut Manufacturing Services, Inc., Excellos, Inc., Cell Microsystems, Inc. and Dynex Technologies, Inc. Mr. Herzick holds a bachelor’s degree in Economics from Duke University and an MBA with honors from Northwestern

University's Kellogg School of Management. We believe Mr. Herzick is qualified to serve as a member of our board of directors based on his experience investing in healthcare technology growth companies, his educational training in finance and business and his service as a director of multiple portfolio companies of Telegraph Hill Partners.

Robert E. McNamara has served as a director since June 2021 and has served as a member of the board of directors and as Chairman of the Audit Committee of Axonics, Inc. (NASDAQ: AXNX), a medical technology company, since November 2018, and as a member of the board of directors and as Chairman of the Compensation Committee of Xtant Medical Holdings, Inc. (NYSE: XTNT), a manufacturer and marketer of regenerative medicine products and medical devices, since February 2018. From 2012 to 2016, Mr. McNamara served as Executive Vice President and Chief Financial Officer of LDR Holding/Spine, Inc. (acquired by Zimmer Biomet), a global medical device company. From 2008 to 2012, Mr. McNamara served as a consulting Chief Financial Officer for several companies including a private medical device manufacturer, a public biotech company and a private nanotech company in the clean tech industry. From 2006 to 2009, Mr. McNamara served as a member of the board of directors of Northstar Neurosciences (NASDAQ: NSTR), a medical device company. From 2004 to 2008, Mr. McNamara served as Senior Vice President and Chief Financial Officer of Accuray, Inc. (NASDAQ: ARAY), a radiation oncology company that develops, manufactures and sells tumor treatment solutions. Mr. McNamara holds a bachelor's degree in Accounting from the University of San Francisco and an MBA from The Wharton School of the University of Pennsylvania. We believe that Mr. McNamara's extensive experience as an executive and director in the medical device industry and his prior service as a senior-level executive of medical device companies qualifies him to serve on our board of directors.

Composition of Our Board of Directors

Certain members of our board of directors were elected pursuant to the provisions of a voting agreement, which terminated immediately prior to the closing of our initial public offering. Under the terms of this voting agreement, the stockholders who were party to the voting agreement agreed to vote their respective shares so as to elect: Paul Grossman, J. Matthew Mackowski, Alexander Herzick, Ted Davis and Irene Davis. Members previously elected to our board of directors pursuant to the voting agreement will continue to serve as directors until they resign, are removed or their successors are duly elected by the holders of our common stock. Following the closing of our initial public offering, none of our stockholders have any special rights regarding the election or designation of members of our board of directors.

The primary responsibilities of our board of directors are to provide oversight, strategic guidance, counseling and direction to our management. Our board of directors meets on a regular basis and additionally as required. Our board of directors currently consists of nine directors. Our amended and restated certificate of incorporation provides that the authorized number of directors shall be determined from time to time exclusively by our board of directors; *provided* that, at any time THP beneficially owns, in the aggregate, at least 50% in voting power of the then-outstanding shares of stock of the Company entitled to vote generally in the election of directors, the stockholders may also fix the number of directors by resolution adopted by the stockholders.

In accordance with our amended and restated certificate of incorporation, our board of directors is divided into three classes with staggered three-year terms. At each annual meeting of stockholders, the successors to directors whose terms are expiring will be elected to serve from the time of election and qualification until the third annual meeting following election. Our directors are divided among the three classes as follows:

- the Class I directors are Ted Davis, Alexander Herzick and Robert McNamara and their terms will expire at the Annual Meeting;
- the Class II directors are Irene Davis, J. Matthew Mackowski and Brett Robertson and their terms will expire at the annual meeting of stockholders to be held in 2023; and
- the Class III directors are Paul Grossman, Stephen Gunstream and Alexander Vos and their terms will expire at the annual meeting of stockholders to be held in 2024.

Any additional directorships resulting from an increase in the number of directors will be apportioned among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. This classification of our board of directors into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control.

Controlled Company Exemption

Telegraph Hill Partners IV, L.P. ("THP LP") and its affiliate THP IV Affiliates Fund, LLC ("THP LLC", together with THP LP, "THP") control a majority of our common stock. As a result, we are a "controlled company" within the meaning of the Nasdaq corporate governance standards. Under the rules and listing standards of Nasdaq (the "Nasdaq Rules"), a company of which more than 50% of the voting power is held by an individual, group or another company is a "controlled company" and may elect not to comply with certain corporate governance standards, including (i) the requirement that a majority of the board of directors consist of independent directors, (ii) the requirement that we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, (iii) the requirement that we have a nominating and corporate governance committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, and (iv) the requirement for an annual performance evaluation of the nominating and corporate governance and compensation committees. These exemptions do not modify the independence requirements for our Audit Committee. We utilize certain of these exemptions. In the event we cease to be a "controlled company," we will be required to comply with these provisions within the transition periods specified in the Nasdaq Rules.

Director Independence

Our board of directors has undertaken a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our board of directors has determined that Robert McNamara, Brett Robertson and Alexander Vos do not have any relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under the applicable rules and regulations of the SEC and the Nasdaq Rules. Mr. Gunstream is not independent under the Nasdaq Rules as a result of his position as our Chief Executive Officer. Ted Davis and Irene Davis are not independent under the Nasdaq Rules as a result of their prior employment with us. Messrs. Grossman, Herzick and Mackowski are not independent under the Nasdaq Rules as a result of their employment with Telegraph Hill Management Company LLC. In making these determinations, our board of directors considered the current and prior relationships that each director has with our Company and all other facts and circumstances our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

Board Leadership Structure

Our board of directors recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide effective oversight of management. Our amended and restated bylaws and corporate governance guidelines provide our board of directors with flexibility to combine or separate the positions of Chairman of the board of directors and Chief Executive Officer. Our board of directors currently believes that our existing leadership structure, under which Stephen Gunstream serves as our Chief Executive Officer and Paul Grossman serves as Chairman of the board of directors, is effective, provides the appropriate balance of authority between independent and non-independent directors, and achieves the optimal governance model for us and for our stockholders.

Board Meetings and Committees

Our board of directors may establish the authorized number of directors from time to time by resolution. Our board of directors currently consists of nine members.

During our fiscal year ended December 31, 2021, our board of directors held 14 meetings (including regularly scheduled and special meetings) and acted by written consent one time. Each director, other than Ted Davis, attended at least 75% of the aggregate of (i) the total number of meetings of our board of directors held during the period for which he or she had been a director and (ii) the total number of meetings held by all committees of our board of directors on which he or she served during the periods that he or she served.

Our corporate governance guidelines have a formal policy encouraging, but not requiring, our directors to attend annual meetings of our stockholders. We did not hold an Annual Meeting of Stockholders in 2021.

Our board of directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The composition and responsibilities of each of the committees of our board of directors are described below. Each committee of our board of directors has a written charter approved by our board of directors. Copies of each charter are posted in the “Investor Relations—Corporate Governance—Governance Overview” portion of our website at <https://ir.teknova.com/corporate-governance/governance-overview>. The reference to our website address does not constitute incorporation by reference of the information contained at or available or accessible through our website, and you should not consider it to be a part of this Proxy Statement. Members serve on these committees until their resignation or until otherwise determined by our board of directors. Our board of directors may establish other committees as it deems necessary or appropriate from time to time.

Audit Committee

Our Audit Committee consists of Ms. Robertson and Messrs. McNamara and Vos. Our board of directors has determined that each member of the Audit Committee satisfies the independence requirements. The chairperson of our Audit Committee is Mr. McNamara. Under applicable Nasdaq Rules and SEC rules and regulations, we are required to phase-in all independent members within one year of listing. Currently, all members of our Audit Committee meet the applicable independence requirements under Nasdaq Rules and Rule 10A-3 of the Exchange Act. However, in the event of a change in the composition of our Audit Committee during such one year phase-in

period following our initial public offering, it may become necessary for us to rely on the foregoing phase-in rule. Our board of directors has determined that each of Ms. Robertson and Messrs. McNamara and Vos is an “Audit Committee financial expert” within the meaning of SEC regulations. Each member of our Audit Committee can read and understand fundamental financial statements in accordance with applicable requirements. In arriving at these determinations, our board of directors has examined each Audit Committee member’s scope of experience and the nature of their employment.

The Audit Committee acts on behalf of our board of directors in fulfilling our board of directors’ oversight responsibilities with respect to our accounting and financial reporting processes, the systems of internal control over financial reporting and audits of financial statements and reports and also assists our board of directors in its oversight of the quality and integrity of our financial statements and reports and the qualifications, independence and performance of our independent registered public accounting firm. For this purpose, the Audit Committee performs several functions. The Audit Committee’s responsibilities include, among others:

- appointing, determining the compensation of, retaining, overseeing and evaluating our independent registered public accounting firm and any other registered public accounting firm engaged for the purpose of performing other review or attest services for us;
- prior to commencement of the audit engagement, reviewing and discussing with the independent registered public accounting firm a written disclosure by the prospective independent registered public accounting firm of all relationships between us, or persons in financial oversight roles with us, and such independent registered public accounting firm or their affiliates;
- determining and approving engagements of the independent registered public accounting firm, prior to commencement of the engagement, and the scope of and plans for the audit;
- monitoring the rotation of partners of the independent registered public accounting firm on our audit engagement;
- reviewing with management and the independent registered public accounting firm any fraud that includes management or other employees who have a significant role in our internal control over financial reporting and any significant changes in internal controls;
- establishing and overseeing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters;
- reviewing the results of management’s efforts to monitor compliance with our programs and policies designed to ensure compliance with laws and rules;
- overseeing our programs, policies and procedures related to our information technology systems, including information asset security and data protection; and
- reviewing and discussing with management and the independent registered public accounting firm the results of the annual audit and the independent registered public accounting firm’s assessment of the quality and acceptability of our accounting principles and practices and all other matters required to be communicated to the Audit Committee by the independent registered public accounting firm under generally accepted accounting standards, the results of the independent registered public accounting firm’s review of our quarterly financial information prior to public disclosure and our disclosures in our periodic reports filed with the SEC.

Our Audit Committee held three meetings during fiscal year 2021 and acted by written consent one time during fiscal year 2021.

Compensation Committee

Our Compensation Committee consists of Ms. Robertson and Messrs. McNamara and Grossman. The chairperson of our Compensation Committee is Ms. Robertson. Our board of directors has determined that Ms. Robertson and Mr. McNamara are independent under the Nasdaq Rules and all applicable laws. We have availed ourselves of the “controlled company” exception under the Nasdaq Rules, which exempts us from the requirement that we have a compensation committee composed entirely of independent directors. Each of the members of this committee is also a “non-employee director” as defined in Rule 16b-3 promulgated under the Exchange Act.

TABLE OF CONTENTS

The primary purpose of our Compensation Committee is to discharge the responsibilities of our board of directors in overseeing our compensation policies, plans and programs and in reviewing and determining the compensation to be paid to our executive officers and non-employee directors. The responsibilities of the Compensation Committee are included in its written charter and include, among others:

- reviewing, modifying and approving (or, if it deems appropriate, making recommendations to our board of directors regarding) our overall compensation strategy and policies, and reviewing, modifying and approving corporate performance goals and objectives relevant to the compensation of our executive officers and other senior management;
- determining and approving (or, if it deems appropriate, recommending to our board of directors for determination and approval) the compensation and terms of employment of our Chief Executive Officer, including seeking to achieve an appropriate level of risk and reward in determining the long-term incentive component of the Chief Executive Officer’s compensation;
- determining and approving (or, if it deems appropriate, recommending to our board of directors for determination and approval) the compensation and terms of employment of our executive officers and other members of senior management;
- reviewing and approving (or, if it deems appropriate, making recommendations to our board of directors regarding) the terms of employment agreements, severance agreements, change-of-control protections and other compensatory arrangements for our executive officers and other senior management;
- conducting periodic reviews of the base compensation levels of all of our employees generally;
- reviewing and approving the type and amount of compensation to be paid or awarded to non-employee directors;
- reviewing and approving the adoption, amendment and termination of our stock option plans, stock appreciation rights plans, pension and profit sharing plans, incentive plans, stock bonus plans, stock purchase plans, bonus plans, deferred compensation plans, 401(k) plans, supplemental retirement plans and similar programs, if any; and administering all such plans, establishing guidelines, interpreting plan documents, selecting participants, approving grants and awards and exercising such other power and authority as may be permitted or required under such plans; and
- reviewing our incentive compensation arrangements to determine whether such arrangements encourage excessive risk-taking, reviewing and discussing at least annually the relationship between our risk management policies and practices and compensation and evaluating compensation policies and practices that could mitigate any such risk.

In addition, once we cease to be an “emerging growth company,” as defined in the JOBS Act, the responsibilities of the Compensation Committee will also include:

- reviewing and recommending to our board of directors for approval the frequency with which we conduct a vote on executive compensation, taking into account the results of the most recent stockholder advisory vote on the frequency of the vote on executive compensation, and reviewing and approving the proposals regarding the frequency of the vote on executive compensation to be included in our annual meeting proxy statements; and
- reviewing and discussing with management our Compensation Discussion and Analysis, and recommending to our board of directors that the Compensation Discussion and Analysis be approved for inclusion in our annual reports on Form 10-K, registration statements and our annual meeting proxy statements.

Our Compensation Committee held one meeting during fiscal year 2021 and acted by written consent three times during fiscal year 2021.

Compensation Committee Processes and Procedures

The Compensation Committee meets outside the presence of all of our executive officers, including the named executive officers (“Named Executive Officers”), in order to consider appropriate compensation for our Chief Executive Officer. For all other Named Executive Officers, the Compensation Committee meets outside the presence

TABLE OF CONTENTS

of all executive officers except our Chief Executive Officer. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with the Chief Executive Officer, the Chief People Officer and Reward Solutions at Aon (a/k/a Radford) (“Radford”), the Compensation Committee’s independent compensation consultant. From time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives.

The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the charter, the Compensation Committee has the authority to obtain, at the expense of the Company, advice and assistance from compensation consultants and internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. Subject to the provisions of its charter, the Compensation Committee has the authority to delegate any of its responsibilities, along with the authority to take action in relation to such responsibilities, to one or more subcommittees as the Committee may deem appropriate in its sole discretion, including, but not limited to, a subcommittee composed of one or more members of the board of directors to grant stock awards under the Company’s equity incentive plans to persons who are not then subject to Section 16 of the Exchange Act and to one or more officers the authority to make grants of options and, if permitted under applicable law, stock awards, to eligible individuals other than directors and executive officers. Any officer to whom such authority is delegated must regularly report to the Compensation Committee the grants made.

The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Compensation Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant’s reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and Nasdaq, that bear upon the adviser’s independence; however, there is no requirement that any adviser be independent.

During the past fiscal year, after taking into consideration the six factors prescribed by the SEC and Nasdaq that did not raise a conflict of interest, the Compensation Committee engaged Radford as a compensation consultant. The Compensation Committee requested that Radford review industry-wide compensation practices and trends to assess the competitiveness of our executive and non-employee director compensation programs.

As part of its engagement, Radford was requested by the Compensation Committee to develop a comparative group of companies and to perform analyses of competitive performance and compensation levels for that group. Radford also met with certain members of management and human resources to learn more about the Company’s business operations and strategy, key performance metrics and strategic goals, as well as the labor markets in which the Company competes. Radford ultimately developed recommendations primarily pertaining to our peer group and executive and non-employee director compensation determinations that were presented to the Compensation Committee for its consideration and to the board of directors for its information. Following an active dialogue with Radford, the Compensation Committee recommended that the board of directors approve certain recommendations of Radford.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Mrs. Davis and Messrs. Mackowski and Vos. The chairperson of our Nominating and Corporate Governance Committee is Mr. Vos. Our board of directors has determined that Mr. Vos is independent under the listing standards of Nasdaq. We have availed ourselves of the “controlled company” exception under the Nasdaq Rules which exempts us from the requirement that we have a nominating and corporate governance committee composed entirely of independent directors.

The responsibilities of the Nominating and Corporate Governance Committee are included in its written charter. The Nominating and Corporate Governance Committee acts on behalf of our board of directors to fulfill our board of directors’ responsibilities in overseeing all aspects of our nominating and corporate governance functions. The responsibilities of the Nominating and Corporate Governance Committee include, among others:

- making recommendations to our board of directors regarding corporate governance issues;

- identifying, reviewing and evaluating candidates to serve as directors (consistent with criteria approved by our board of directors);
- determining the minimum qualifications for service on our board of directors;
- reviewing and evaluating incumbent directors;

- serving as a focal point for communication between candidates, non-committee directors and our management;
- recommending to our board of directors for selection candidates to serve as nominees for director for the annual meeting of stockholders;
- making other recommendations to our board of directors regarding matters relating to the directors;

- considering any recommendations for nominees and proposals submitted by stockholders.

Our Nominating and Corporate Governance Committee held no meetings during fiscal year 2021 and did not act by written consent during fiscal year 2021.

Identifying and Evaluating Director Nominees

Our Nominating and Corporate Governance Committee is responsible for identifying, reviewing, evaluating and recommending candidates for nomination to our board of directors, including candidates to fill any vacancies that may occur. Our Nominating and Corporate Governance Committee assesses the qualifications of candidates in light of the policies and principles in our corporate governance guidelines and may also engage third party search firms to identify director candidates. The Nominating and Corporate Governance Committee may conduct interviews, detailed questionnaires and comprehensive background checks or use any other means that it deems appropriate to gather information to evaluate potential candidates. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates to the board of directors for approval as director nominees for election to the board of directors.

Our Nominating and Corporate Governance Committee also reviews director candidates in the context of the current size and composition of the board, the operating requirements of the Company and the long-term interests of the Company's stockholders. The Nominating and Corporate Governance Committee does not prescribe any minimum qualifications for director candidates. Although our board of directors does not maintain a specific policy with respect to board diversity, our board of directors values diversity as a factor in selecting nominees. Our Nominating and Corporate Governance Committee may consider a potential director candidate's integrity, experience, judgment, commitment, skills, diversity, age, gender, background, place of residence, areas of expertise, experience serving as a board member or executive officer of other companies, relevant academic expertise and other factors relative to the overall composition of the board of directors and committees of the board of directors, including, but not limited to, (i) such candidate's demonstrated experience and achievement in matters relevant to the Company's business, (ii) such candidate's commitment to driving the Company's success and increasing long-term value for the Company's stockholders and (iii) potential conflicts of interest or other commitments. In the case of incumbent directors whose terms of office are set to expire, our Nominating and Corporate Governance Committee reviews such directors' overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, our Nominating and Corporate Governance Committee also determines whether the nominee is independent for purposes of Nasdaq Rules.

Board Diversity

The Nominating and Corporate Governance Committee recognizes the benefits associated with a diverse board and takes diversity considerations into account when identifying candidates.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Our board of directors is currently composed of nine members. In accordance with our amended and restated certificate of incorporation, our board of directors is divided into three staggered classes of directors. At the Annual Meeting, three Class I directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of his or her successor, or such director's earlier death, resignation or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. This classification of our board of directors may have the effect of delaying or preventing changes in the control of our Company.

Nominees

Our Nominating and Corporate Governance Committee has recommended, and our board of directors has approved, Ted Davis, Alexander Herzick and Robert McNamara as nominees for election as Class I directors at the Annual Meeting. If elected, each of Ted Davis, Alexander Herzick and Robert McNamara will serve as Class I directors until the 2025 annual meeting of stockholders and until their successors are duly elected and qualified. Each of the nominees is currently a Class I director of our Company. For information concerning the nominees, please see the section titled "Board of Directors and Corporate Governance."

If you are a stockholder of record and you sign your proxy card or vote by telephone or over the internet but do not give instructions with respect to the voting of directors, your shares will be voted "FOR" the election of each of Ted Davis, Alexander Herzick and Robert McNamara. We expect that Ted Davis, Alexander Herzick and Robert McNamara will each accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee designated by our board of directors to fill such vacancy. If you are a street name stockholder and you do not give voting instructions to your broker or nominee, your broker will leave your shares unvoted on this matter, which will result in no effect on the vote for this matter.

Director Interest

Ted Davis, Alexander Herzick and Robert McNamara have an interest in this Proposal No. 1, as each is currently a member of our board of directors.

Vote Required

The election of directors requires a plurality of the voting power of the shares of our common stock be present in person, or by remote communication, if applicable, or represented by proxy at the Annual Meeting and entitled to vote thereon to be approved. Broker non-votes will have no effect on this proposal.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"
EACH OF THE NOMINEES NAMED ABOVE.**

PROPOSAL NO. 2
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed Ernst & Young LLP, an independent registered public accounting firm, to audit our financial statements for our fiscal year ending December 31, 2022. During our fiscal year ended December 31, 2021, Ernst & Young LLP served as our independent registered public accounting firm. Ernst & Young LLP has served as our independent registered public accounting firm since 2020.

Notwithstanding the appointment of Ernst & Young LLP, and even if our stockholders ratify the appointment, our Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during our fiscal year if our Audit Committee believes that such a change would be in the best interests of our Company and our stockholders. At the Annual Meeting, our stockholders are being asked to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022. Our Audit Committee is submitting the appointment of Ernst & Young LLP to our stockholders because we value our stockholders' views on our independent registered public accounting firm and as a matter of good corporate governance. Representatives of Ernst & Young LLP will be present at the Annual Meeting, will have an opportunity to make a statement and will be available to respond to appropriate questions from our stockholders.

If our stockholders do not ratify the appointment of Ernst & Young LLP, our board of directors may reconsider the appointment.

Auditor Independence

In our fiscal year ended December 31, 2021, there were no other professional services provided by Ernst & Young LLP, other than those listed above, that would have required our Audit Committee to consider their compatibility with maintaining the independence of Ernst & Young LLP.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy for the pre-approval of audit and non-audit services rendered by our independent registered public accounting firm. Pursuant to this policy, the Audit Committee is required to pre-approve the audit and non-audit services performed by our independent registered public accounting firm in order to assure that the provision of such services does not impair the auditor's independence.

The Audit Committee at least annually reviews and provides general pre-approval for the services that may be provided by the independent registered public accounting firm; the term of the general pre-approval is 12 months from the date of approval, unless the Audit Committee (or a member to whom pre-approval authority has been delegated) specifically provides for a different period. If the Audit Committee has not provided general pre-approval, then the type of service requires specific pre-approval by the Audit Committee. Any proposed services exceeding pre-approved cost levels require specific pre-approval by the Audit Committee.

[TABLE OF CONTENTS](#)

The Audit Committee may delegate pre-approval authority to one or more Audit Committee members so long as any such pre-approval decisions are presented to the full Audit Committee at its next scheduled meeting. By the adoption of this policy, the Audit Committee has delegated the authority to pre-approve services to the Chairperson of the Audit Committee, subject to certain limitations. The annual audit services, engagement terms, and fees are subject to the specific pre-approval of the Audit Committee.

Vote Required

The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022 requires the affirmative vote of a majority of the voting power of the shares of our common stock present in person, or by remote communication, if applicable, or represented by proxy at the Annual Meeting and entitled to vote thereon. Abstentions and broker non-votes will have no effect on this proposal.

Narrative Disclosure to Summary Compensation Table

In 2021, in connection with our initial public offering, our Compensation Committee retained the services of Radford to formulate a report and make recommendations regarding our compensation programs and executive compensation levels. Radford provided our Compensation Committee with benchmark comparative data for our executive officers with respect to base salaries, target and actual total cash compensation levels and long-term incentive values. The compensation committee used the data provided by Radford to make an initial determination of the competitiveness of total direct compensation for each executive officer and to recommend certain changes to such compensation to our board of directors. Based on the compensation committee's recommendations, our board of directors determined to increase the base salaries of our executive officers for 2021 such that their respective base salaries and bonus targets would align with the 25th and 50th percentiles, respectively, as compared to our peer group.

During 2021, the principal elements of our executive compensation program were as follows:

Base Salary

Base salary represents the fixed portion of the compensation of our executive officers and is an important element of compensation for attracting and retaining highly-talented individuals. We determine base salaries for each executive on a case-by-case basis with consideration given to each executive's responsibilities, individual contribution, prior experience, expertise and performance, as well as market compensation levels for similar positions. Base salaries of our Named Executive Officers are approved and reviewed annually by our Compensation Committee.

Annual Incentive Bonus Plan

In connection with our initial public offering, our board of directors adopted an Annual Incentive Bonus Plan (the "Cash Bonus Plan"), pursuant to which employees classified as manager level or above, including our Named Executive Officers, are eligible to participate, subject to meeting certain criteria as such criteria may be determined by our board of directors. The Cash Bonus Plan is designed to provide appropriate incentives to our executives to achieve defined financial and Company performance goals and to reward our executives for achievement toward these goals.

The Cash Bonus Plan generally provides participants a target bonus opportunity for the applicable plan year performance period and payments of bonuses may be based on the achievement of Company (or department) and individual performance goals for the plan year, up to, but not greater than, 150% of a participant's target bonus. During the fiscal year ended December 31, 2021, each Named Executive Officer's target bonus amount was based entirely on the achievement of Company performance goals. Each executive's target bonus amount is expressed as a percentage of the executive's base salary and intended to be commensurate with the executive's position and responsibilities. The target achievement levels for our executives with respect to the applicable performance metrics are based on a board-approved operating plan, which reflects the Company's target performance for the upcoming fiscal year, and such targets are calibrated such that they are challenging enough to require strong and consistent effort by the executives in order to be achieved. In order to be eligible to receive a bonus pursuant to the Cash Bonus Plan, the participant would have to remain employed by us on both the last day of the applicable plan year and on the payment date and would also have to have an individual performance-rating equal to or exceeding the target level for the plan year, if applicable.

Annually, our board of directors, based upon the recommendation of the Compensation Committee, determines the achievement levels of the Company and financial performance goals and the actual bonus payout to be awarded to each of our eligible executive officers.

The performance metric for fiscal 2021 was comprised solely of revenue goals. For fiscal 2021, we achieved the Company performance metric at 102% of target, which resulted in the bonus payments set forth in the Summary Compensation Table under the column entitled "Non-Equity Incentive Plan Compensation."

Long-Term Equity Incentives

We believe equity awards are a critical element of our executive compensation program as they provide an incentive for our executives to focus on driving growth in our stock price and long-term stockholder value creation, and help us to attract and retain key talent in a competitive market. Specifically, the granting of stock options helps ensure that the interests of our executive officers are aligned with those of our stockholders as the options only have value if the value of the Company's stock increases after the date the option is granted.

Other Elements of Compensation

Health and Welfare Benefits

All of our current Named Executive Officers are eligible to participate in our employee benefit plans, including our medical, dental, vision, life, disability and accidental death and dismemberment insurance plans, in each case on the same basis as all of our other employees. We pay the premiums for the life, disability and accidental death and dismemberment insurance for all of our employees, including our Named Executive Officers.

Perquisites and Personal Benefits

With the exception of lodging expenses we paid on Mr. Gunstream's behalf during the fiscal year ended December 31, 2020, as reported in "—Summary Compensation Table" above, no Named Executive Officer was granted a perquisite or other personal benefit during such periods that is subject to disclosure.

Retirement Benefits

We do not have a defined benefit pension plan or nonqualified deferred compensation plan. We maintain a retirement profit sharing savings plan, the 401(k) Plan, for the benefit of our eligible employees, including our Named Executive Officers. Our 401(k) Plan is intended to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended (the "Code") as a defined contribution plan. Each participant in the 401(k) Plan may contribute up to the lesser of his or her pre-tax compensation or the statutory limit and we make safe harbor matching contributions on such deferrals. In addition, we can make discretionary matching and/or profit sharing contributions. All salary deferrals, safe harbor matching contributions and rollovers are 100% vested when contributed and participants vest in discretionary matching and profit sharing contributions at a rate of 20% per year of service with us (such contributions are fully vested after five years of service). For the year ended December 31, 2021, we provided 4% matching and 2% profit sharing contributions under the 401(k) Plan for eligible compensation by plan participants, subject to federal tax limits.

Prohibition on Hedging and Pledging Transactions

Our insider trading policy prohibits any director, employee (including our executive officers) or consultant to our Company from, among other things, engaging in short sales, transactions in put or call options, hedging transactions, margin accounts, or other inherently speculative transactions with respect to our common stock at any time. Our directors, employees (including our executive officers), and consultants are also not permitted to pledge our securities as collateral for a loan.

Emerging Growth Company Status

As of December 31, 2021, we are an emerging growth company, as defined in the JOBS Act. As an emerging growth company, we are exempt from certain requirements related to executive compensation, including, but not limited to, the requirements to hold a nonbinding advisory vote on executive compensation and to provide information relating to the ratio of total compensation of our Chief Executive Officer to the median of the annual total compensation of all of our employees, each as required by the Investor Protection and Securities Reform Act of 2010, which is part of the Dodd-Frank Wall Street Reform and Consumer Protection Act. We will remain an emerging growth company until the earliest of (i) December 31, 2026, (ii) the last day of the first fiscal year in which our annual gross revenue is \$1.07 billion or more, (iii) the date on which we have, during the previous rolling three-year period, issued more than \$1 billion in non-convertible debt securities or (iv) the date on which we are deemed to be a "large accelerated filer" as defined in the Exchange Act.

Employment Arrangements

The employment agreements and offer letters with our Named Executive Officers generally provide for at-will employment and set forth the executive officer's initial base salary, applicable signing bonuses, eligibility for employee benefits and confirmation of the terms of previously issued equity grants, and for our President and Chief Executive Officer, severance benefits on a qualifying termination of employment or resignation. In addition, each of our Named Executive Officers has executed our standard confidential information and invention assignment agreement. The key terms of these agreements are described below.

In addition, if a Qualifying Termination occurs within twelve months of a change of control, Mr. Gunstream’s options, including the Performance Based Options, will become fully vested and exercisable immediately prior to such change of control, subject to his execution of an effective release of claims against us and our affiliates.

Pursuant to the Lowell Offer Letter, Mr. Lowell was granted an incentive stock option to acquire 196,833 shares of our common stock (the “Lowell Option”), in accordance with the 2020 Plan, and related stock option agreements, which options will vest over four years subject to his continued service with us, with 25% of the shares vesting after one year and the remaining shares vesting in equal monthly installments over the following 36 months.

Pursuant to the terms of the award agreement for the Lowell Option, such option will become fully vested and exercisable immediately prior to, but contingent upon, a change of control (as defined in the 2020 Plan) in the event of (i) a change of control in which the acquirer elects not to assume or continue such option, or provide a substantially equivalent award, provided that, for the purposes of this clause (i), Mr. Lowell’s service has not terminated prior to the change in control, or (ii) the cessation of Mr. Lowell’s service as a result of a change in control termination where, in connection with such change in control, the acquirer has so assumed, continued or substituted such option, provided that, for the purposes of this clause (ii), Mr. Lowell, among other things, executes an effective release of claims against us and our affiliates. Ken Gelhaus Offer Letter. We entered into an offer letter agreement with Mr. Gelhaus dated September 20, 2021 (the “Gelhaus Offer Letter”) which provides for Mr. Gelhaus’ employment as our Chief Commercial Officer. Mr. Gelhaus’ initial base salary was \$377,500, with the opportunity to earn an annual bonus of as much as 25% of his annual base salary under a bonus plan, depending on Mr. Gelhaus’ and the Company’s performance.

Pursuant to the Gelhaus Offer Letter, Mr. Gelhaus was granted an incentive option to acquire 85,000 shares of our common stock, in accordance with the Company’s 2021 Plan, as amended, and related stock option agreements, which options will vest over four years subject to his continued service with us, with 25% of the shares vesting after one year and the remaining shares vesting in equal monthly installments over the following 36 months. Mr. Gelhaus’ option is subject to acceleration in accordance with the terms of the 2021 Plan and the Severance Plan (as defined below), in which Mr. Gelhaus is a participant.

Executive Severance and Change in Control Plan

Our board of directors has adopted an Executive Severance and Change in Control Plan (the “Severance Plan”), which became effective upon the closing of our initial public offering. Our Named Executive Officers and certain of our other executive officers, as determined by our board of directors from time to time, are participants in the Severance Plan.

Under the terms of the Severance Plan, if the executive’s employment with us is terminated by us without “cause” or by the executive for “good reason” (each as defined in the Severance Plan), in each case, other than in connection with a “Change in Control” (as defined in the Severance Plan), then as long as the executive timely signs a release of any claims against us, he or she will be entitled to the following severance benefits: (i) an amount in cash equal to nine months (or 12 months, for our Chief Executive Officer) of his or her base salary as of his or her termination date, payable in installments in accordance with our standard payroll practices; (ii) provided he or she timely elects continued coverage under COBRA, reimbursements for his or her COBRA premiums for group health insurance coverage for the participant and any covered dependents until the sooner of (A) the end of nine months (or 12 months, for our Chief Executive Officer) after the participant’s separation date, (B) the date the participant is no longer eligible for COBRA coverage or (C) the date the participant becomes eligible for health insurance coverage through another employer; and (iii) for our Chief Executive Officer only, a lump-sum pro-rated amount of his target annual bonus for the fiscal year in which the termination occurs, measured as of his termination date.

Pursuant to the Severance Plan, if the executive’s employment with us is terminated without “cause” or by the executive for “good reason” at any time three months prior to or within 12 months after a “Change in Control” (as defined in the Severance Plan), then as long as the executive timely signs a release of any claims against us, he or she will be entitled to the following severance benefits: (i) a lump-sum cash amount equal to 100% (or 200%, for

TABLE OF CONTENTS

our Chief Executive Officer) of his or her base salary in effect as of immediately prior to his or her termination date; (ii) a lump sum amount equal to 100% (or 200%, for our Chief Executive Officer) of his or her target annual bonus for the fiscal year in which the termination occurs; (iii) full vesting of all of his or her outstanding (as of immediately prior to the termination, but subject to any maximum term) equity awards from the Company and any of its affiliates (or any successor to the Company or any of its affiliates); provided, however, if vesting is otherwise based on satisfaction of performance objectives, such objectives shall be deemed satisfied at 100% of target; and (iv) provided he or she timely elects continued coverage under COBRA, reimbursements for his or her COBRA premiums for group health insurance coverage for the participant and any covered dependents until the sooner of (A) the end of 12 months (or 24 months, for our Chief Executive Officer) after the participant's separation date, (B) the date the participant is no longer eligible for COBRA coverage or (C) the date the participant becomes eligible for health insurance coverage through another employer.

The timing of severance payments and benefits under the Severance Plan may be deferred to avoid incurring additional taxes and penalties pursuant to Section 409A of the Code. The Severance Plan also provides for the reduction of any severance payments and benefits to the executive to the extent necessary to ensure that he or she will not be subject to any excise tax under Section 4999 of the Internal Revenue Code or will receive the full value of any "excess parachute payments" under Section 280G of the Code, whichever will result in the participant receiving on an after-tax basis the greatest amount of benefits.

For purposes of the Severance Plan:

- "Cause" shall have the meaning ascribed to such term in the 2021 Plan, as may be amended from time to time. This generally means that such term shall have the meaning ascribed to such term in any written agreement between the participant and the Company defining such term and, in the absence of such agreement, such term means the occurrence of any of the following events: (i) the executive's theft, dishonesty, willful misconduct, breach of fiduciary duty for personal profit, or intentional falsification of any Company documents or records; (ii) the executive's material failure to abide by the Company's code of conduct or other policies; (iii) the executive's unauthorized use, misappropriation, destruction or diversion of any tangible or intangible asset or corporate opportunity of the Company; (iv) any intentional act by the executive which has a material detrimental effect on the Company's reputation or business; (v) the executive's repeated failure or inability to perform any reasonable assigned duties after written notice from the Company of, and a reasonable opportunity to cure, such failure or inability; (vi) any material breach by the executive of any employment or service agreement between the executive and the Company, which breach is not cured pursuant to the terms of such agreement; or (vii) the executive's conviction (including any plea of guilty or nolo contendere) of any criminal act involving fraud, dishonesty, misappropriation or moral turpitude, or which impairs the executive's ability to perform his or her duties with the Company.
- "Change in Control" or "Change of Control" shall have the meaning ascribed to such term in the 2021 Plan, as may be amended from time to time. This generally means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:
 - any person, entity or "group" (within the meaning of Section 13(d) or 14(d) of the Exchange Act) becomes the owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation or similar transaction, subject to certain exceptions;
 - there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such transaction, the stockholders of the Company immediately prior thereto do not own, directly or indirectly, either (A) outstanding voting securities representing more than 50% of the combined outstanding voting power of the surviving entity in such transaction or (B) more than 50% of the combined outstanding voting power of the parent of the surviving entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their ownership of the outstanding voting securities of the Company immediately prior to such transaction;
 - the stockholders of the Company approve or the board of directors approves a plan of complete dissolution or liquidation of the Company, or a complete dissolution or liquidation of the Company shall otherwise occur, except for a liquidation into a parent corporation;

TABLE OF CONTENTS

- there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company to an entity, more than 50% of the combined voting power of the voting securities of which are owned by stockholders of the Company in substantially the same proportions as their ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition; or
- individuals who, on the date the 2021 Plan is adopted by the board of directors, are members of our board of directors (the “Incumbent Board”) cease for any reason to constitute at least a majority of the members of the board of directors; provided, however, that if the appointment or election (or nomination for election) of any new board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of the Severance Plan, be considered as a member of the Incumbent Board.
- “Good Reason” generally means any one of the following that occurs without the consent of the executive: (i) a material reduction in the executive’s title, duties, authority or responsibilities relative to executive’s title, duties, authority or responsibilities as in effect immediately prior to such reduction; provided, however, that continued employment following a Change in Control with substantially the same responsibility with respect to the Company’s business and operations will not constitute a material reduction in title, duties, authority or responsibilities, (ii) a reduction in the executive’s annual base salary, other than a reduction that occurs in connection with a Company-wide decrease in executive team compensation, (iii) a relocation of the executive’s principal workplace by more than 50 miles or (iv) the Company’s material breach of any written agreement as to which both the Company (or an affiliate) and the executive are parties; provided, however, that the executive must provide 90 days’ notice of the executive’s intent to resign for Good Reason within 30 days after the executive learns of a potential Good Reason trigger, and the resignation shall be for Good Reason only if the potential Good Reason trigger remains uncured as of the specified date of resignation.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The following is a summary of transactions since January 1, 2020, to which we have been a participant in which the amount involved exceeded or will exceed the lesser of \$120,000 or one percent of the average of the Company's total assets at year end for our last two completed fiscal years, and in which any of our directors, executive officers or holders of more than five percent of our capital stock, or any member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest, other than compensation arrangements which are described in "Executive Compensation."

We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, in arm's length transactions.

Investor Rights Agreement

We are a party to an investors' rights agreement, dated as of January 14, 2019, with certain holders of our common stock, including our five percent stockholders and entities affiliated with our directors. Our investors' rights agreement provides these holders the right, subject to certain conditions, to demand that we file a registration statement or request that their shares be covered by a registration statement that we are otherwise filing.

Transition Agreement

On January 10, 2019, we entered into a transition agreement and general release with Richard Goozh, our former treasurer and chief financial officer, pursuant to which we agreed to pay Mr. Goozh a transaction bonus in the amount of \$972,715 in a lump sum in 2019 and an additional transaction bonus opportunity based on our 2019 net revenue and to be paid in 2020, subject, in both cases, to Mr. Goozh's compliance with certain conditions of employment and execution and compliance with a non-solicitation agreement. The amount of the bonus that was paid to Mr. Goozh in 2020 was \$172,129. We also agreed to pay Mr. Goozh \$10,000 per month for his continuing consulting services to us for a period of three months, commencing with the closing date of our Series A preferred stock financing in 2019. Further, in consideration for Mr. Goozh's execution of a supplemental release of claims, we agreed to pay Mr. Goozh a lump sum of \$20,000.

Employment Arrangements

We have entered into employment agreements and offer letters with certain of our executive officers. For more information regarding these agreements with our executive officers, see "Executive Compensation—Employment Arrangements."

Severance and Change of Control Plan

Our board of directors has adopted the Severance Plan with Mr. Gunstream and one or more of our other executive officers, as may be determined by our board of directors from time to time. The Severance Plan is more fully described in the section entitled "Executive Compensation—Employment Arrangements—Executive Severance and Change in Control Plan."

Equity and Cash Incentives

We have granted options to certain of our directors and Named Executive Officers. For more information regarding the options granted to our directors and Named Executive Officers, see "Board of Directors and Corporate Governance—Non-Employee Director Compensation—Non-Employee Director Compensation Table" and "Executive Compensation—Outstanding Equity Awards as of December 31, 2021."

We have also established the Cash Bonus Plan certain of our executive officers. For a description of this plan, see "Executive Compensation—Individual Compensation Elements—Annual Cash Incentive Bonuses."

Real Estate Leases

On September 1, 2019, we entered into a lease agreement with Meeches LLC, a company that is controlled by Ted Davis and Irene Davis, pursuant to which we lease approximately 23,400 square feet of warehouse space located in Mansfield, Massachusetts. As of December 31, 2021, the monthly base rent was \$21,897 and the base rent is increased annually by approximately \$995. The current lease term is through August 31, 2024. We have the option

to extend the initial term of the lease for one additional period of five years commencing upon the expiration of the initial lease term, upon the same terms and conditions contained in the lease, including an adjustment to the base rent, but excluding any further options to extend the lease term. For the fiscal years ended December 31, 2021 and 2020, our total rent expense for this lease was approximately \$255,000 and \$243,000, respectively.

Loan and Deed of Trust

In June 2018, we loaned Thomas E. Davis, LLC (“TED LLC”), a company controlled by Ted Davis, our founder and a current director and five percent stockholder of ours, \$580,000 to purchase the property leased by the Company under the commercial lease agreement, dated June 21, 2017, between us and TED LLC (the “BERT Lease”). In connection with the loan, TED LLC executed a promissory note in favor of the Company for an amount of \$580,000. The promissory note accrued interest at a rate of six percent per annum and was secured by the property leased by the Company under the BERT Lease, pursuant to a Deed of Trust and Assignment of Rents. This loan was repaid to the Company in the first quarter of 2021.

Indemnification of Directors and Officers

Our amended and restated certificate of incorporation contains provisions that limit the liability of our current and former directors for monetary damages to the fullest extent permitted by Delaware law. Delaware law provides that directors of a corporation will not be personally liable for monetary damages for any breach of fiduciary duties as directors, except liability for:

- any breach of the director’s duty of loyalty to the corporation or its stockholders;
- any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions; or
- any transaction from which the director derived an improper personal benefit.

Such limitation of liability does not apply to liabilities arising under federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

Our amended and restated certificate of incorporation authorizes us to indemnify our directors, officers, employees and other agents to the fullest extent permitted by Delaware law. Our amended and restated bylaws provide that we are required to indemnify our directors and officers to the fullest extent permitted by Delaware law and may indemnify our other employees and agents. Our amended and restated bylaws also provide that, on satisfaction of certain conditions, we will advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law.

We have also entered, and expect to continue to enter, into agreements to indemnify our directors and executive officers. With certain exceptions, these agreements provide for indemnification for related expenses, including attorneys’ fees, judgments, fines and settlement amounts incurred by any of these individuals in connection with any action, proceeding or investigation. We believe that these amended and restated certificate of incorporation and amended and restated bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain customary directors’ and officers’ liability insurance.

The limitation of liability and indemnification provisions in our amended and restated certificate of incorporation and amended and restated bylaws may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder’s investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions. Insofar as indemnification for liabilities arising under the Securities Act may be permitted for directors, executive officers or persons controlling us, we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Rule 10b5-1 Sales Plans

Our directors and executive officers may adopt written plans, known as Rule 10b5-1 plans, in which they will contract with a broker to buy or sell shares of common stock on a periodic basis. Under a Rule 10b5-1 plan, a broker

executes trades pursuant to parameters established by the director or executive officer when entering into the plan, without further direction from them. The director or executive officer may amend a Rule 10b5-1 plan in some circumstances and may terminate a plan at any time. Our directors and executive officers also may buy or sell additional shares outside of a Rule 10b5-1 plan when they are not in possession of material nonpublic information, subject to compliance with the terms of our insider trading policy.

Policies and Procedures for Related Party Transactions

Our board of directors has adopted a related person transaction policy setting forth the policies and procedures for the identification, review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we and a related person, as defined by the Securities Act, were or will be participants and the amount involved exceeds \$120,000, including purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness and guarantees of indebtedness. In reviewing and approving any such transactions, our general counsel will consider all relevant facts and circumstances as appropriate, such as the related person's relationship to the Company and interest in the transaction, the proposed aggregate value of the transaction, or in the case of indebtedness, the amount of principal that would be involved, the availability of other sources of comparable products or services, and whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction. If our general counsel, or if applicable, the Company's Chief Financial Officer or Chief Executive Officer determines that the proposed transaction is a material related person transaction, such officer may submit the transaction to the Audit Committee for approval, who will consider, in addition to the factors set forth above, the impact on a director's independence in the event the related person is a director, an immediate family member of a director or an entity in which the director is a partner, stockholder or officer, and any other matter the Audit Committee considers relevant. The Audit Committee will approve only those related person transaction that are in, or not inconsistent with, the best interests of the Company and its stockholders.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy materials with respect to two or more stockholders sharing the same address by delivering a single set of proxy materials addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be "householding" our proxy materials. A single set of proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate set of proxy materials, please notify your broker, notify our Corporate Secretary at (831) 637-1100 or send a written request to: Corporate Secretary at Alpha Teknova, Inc., 2451 Bert Dr., Hollister, CA 95023. Stockholders who currently receive multiple copies of proxy materials at their addresses and would like to request "householding" of their communications should contact their brokers.

OTHER MATTERS

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires that our executive officers, directors, and persons who own more than 10% of our common stock file reports of ownership and changes of ownership with the SEC. Such directors, executive officers and 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

SEC regulations require us to identify in this proxy statement anyone who filed a required report late during the most recent fiscal year. Based on our review of forms we received, or written representations from reporting persons stating that they were not required to file these forms, we believe that during the fiscal year ended December 31, 2021, all Section 16(a) filing requirements were satisfied on a timely basis, except with respect to the failure to timely file a Form 4 for Ken Gelhaus (filed with the SEC on November 23, 2021), as amended on Form 4 (filed with the SEC on November 24, 2021). Such late filing did not result in any liability under Section 16(b) of the Exchange Act.

2021 Annual Report and SEC Filings

Our financial statements for the year ended December 31, 2021 are included in our annual report on Form 10-K, which we will make available to stockholders at the same time as this proxy statement. Our annual report and this proxy statement are posted on our website at www.teknova.com and are available from the SEC at its website at www.sec.gov. You may also obtain a copy of our annual report without charge by sending a written request to Investor Relations, Alpha Teknova, Inc., 2451 Bert Dr., Hollister, CA 95023.
